

HEALTH AND SAFETY POLICY STATEMENT

It is the policy of Moorland Composites Limited, and the Moorland Composites Group of Companies, to carry out its operations in such a manner as to ensure the health, safety and welfare of all its employees, and others (including visitors, contractors and the public) that may be affected by its operations.

The Moorland Composites Group shall ensure, as far as is reasonably practicable, that this will be achieved by the following:

- The attainment of objectives for Occupational Health and Safety as set out in the Health and Safety Improvement Plan.
- The provision of sufficient instruction, information, training and supervision to all employees.
- The provision of premises, plant, equipment and safe systems of work that are safe and do not involve risks to health.
- The carrying out of comprehensive risk assessments to develop safe systems and procedures.
- The provision of adequate arrangements for consultation on measures for ensuring health and safety at work.
- The provision of adequate arrangements to ensure compliance with all relevant legislation.

The Moorland Composites Group of Companies demands a high standard of Health and Safety from all concerned and is committed to maintaining and continuously improving these standards by adherence to this Policy.

The Policy and its implementation will be periodically reviewed taking into account changing business and regulatory needs, but annually as a minimum requirement, at Senior Management level, to ensure that it remains relevant and appropriate to the business.
